All New ACTIVA 125

All New ACTIVA 110

Meet the smarter

ACTIVA 125 | ACTIVA 110

with a TFT meter and Honda RoadSync App.
Stay connected to navigation, calls,
messages, music, and weather.
Enjoy real-time updates, smart features,
and a stylish design for a seamless ride.

Smart Key
With H-Smart Technology

The Honda Smart Key, powered by H-Smart technology enhances your Activa experience from the moment you unlock it, offering a range of features designed for ultimate convenience.

Smart FIND

Searching for your ride in a crowded parking or low-light conditions can be frustrating and the answer back feature solves it.

Smart SAFE

Your Activa stays secure, even when you're not around.

Smart UNLOCK

No need to fumble for your key- Honda Smart Key makes unlocking effortless.

Smart START

Start your Activa 125 or 110 without even taking the key out of your pocket.

*Smart Key is available in Activa 110 & Activa 125's H-Smart variants only.

TFT Screen Display

Get a fully-loaded meter featuring superb day and night-time visibility with its 10.67cm TFT display that provides multi-angle visibility, thus ensuring high image quality. Optimize your screen viewing experience with three adjustable brightness levels.

*The TFT Screen shown is of the Activa 125.

Honda RoadSync

The Honda RoadSync App connects your smartphone to your Activa via Bluetooth, enabling you to access essential functions such as navigation, calls, texts, and music without interrupting your ride.

Manage messages via voice commands

Get real-time weather updates for any location

Manage and make calls directly from your Activa

Use turn-by-turn navigation to reach anywhere

Enjoy music control at your fingertips

Steps to Connect Honda RoadSync

Step 1: Download and Set Up

- Install the Honda RoadSync app from the app store.
- Grant the required permissions.

Step 2: Connect Your Device

- Provide access to the app.
- Choose your model & set up Bluetooth with handle switch.

Step 3: Pair and Sign In

- Pair the device with the app.
- Login using the account of your preference.

Smart Design, Stylish Presence.

Make a style statement with your
Activa 125 & 110's designs that blend
everyday convenience with standout styling.

LED Headlamp and Signature LED Position Lamp

The elegant LED headlamp with a signature position lamp elevates the Activa 125 and Activa 110's style to new heights.

Premium Chrome Stroke on Side Panel

Elegantly carved Activa 125 and 110 logos on the side panels with chrome detailings add a premium touch.

Seat and Inner Panel

Sophisticated, premium feel, and enhanced appeal with an elegant premium brown seat (Activa 125) or black seat (Activa 110).

Striking Tail Lamp

A bold X-shaped tail lamp design that captures attention & leaves a lasting impression.

Idling Stop System

The Advanced Idling Stop System seamlessly shuts off the Activa 125's engine during brief stops for effortless convenience, while on the Activa 110, it smartly conserves fuel with Idling Stop System.

15W USB-C Port

Charge your smartphone, earphones, power bank on-the-go, with all device compatibility.

Multi-Function Switch Unit

An iconic blue back-lit knob with a compact switch that combines safety, style, and effortless convenience.

Double Lid External Fuel Fill

Refuel while seated, thanks to the convenience of double-lid fuel access.

Open Glove Box

A spacious open glove box provides extra storage for essentials.

Smart Technology

The Activa 125 and 110 are packed with cutting-edge smart features and the latest technology to enhance your riding experience.

ENHANCED SMART POWER

Experience advanced technology that enhances combustion, performance and fuel efficiency like never before.

Powerful 125cc and 110cc Engines

Top-tier power and acceleration to make rides exciting.

Silent Start with ACG

Experience smooth and silent starts with reduced gear noise and maintenance.

PGM-FI FUEL INJECTION

Intelligent PGM-FI system for optimum air-fuel ratio that provides superior performance, fuel savings, and reliable starts in any weather and lowered emissions.

Smart Mileage Indications

The Activa features a digital meter to monitor fuel consumption, efficiency, and remaining distance during your ride.

Real-Time Mileage

It displays live fuel efficiency throughout the ride.

Average Mileage

It displays overall fuel consumption during the trip.

Distance To Empty

It displays the distance you can travel with remaining fuel in the tank.

Eco-Indicator

Tracks real-time driving conditions to maintain fuel efficiency on a real-time basis.

Reliability & Comfort

With Honda's ever-trusted legacy, the Activa ensures every ride is smooth, dependable, and comfortable.

Front and Rear Alloy Wheels

Enhance the appearance of your Activa with alloy wheels, providing improved stability and durability.

Side Stand Engine Cut-Off

When the side stand is open the side stand engine Cut-off prevents the engine from starting.

Telescopic Front Suspension

Every ride made extra comfortable with telescopic front suspension.

Fuel-Efficient Tubeless Tyres

Enhanced grip, better mileage, and safer rides with Honda's advanced technology.
